

Smiling Child 1

Our prophet liked all children.
Our prophet never exaggerated smiling.
When he smiled, his teeth shimmered like pearls.
And his face shone.
I SMILE A LOT.
I AM LIKE MY PROPHET WHEN I SMILE.
I greet you, oh smiling faced,
rose scented dear Prophet,...
Allahumma Salli Ala Sayyidina Muhammed.

Come on let's walk together.
Let's turn the pages.
Why we should keep on smiling?
Let us color and learn.

Dear Mothers and Fathers,

Our children are the greatest treasure entrusted to us.

Our dream is to see that our children have the most beautiful manners.

The "Rose House Coloring Book Series" has focused on the behavior of our children and aimed to gain discipline in them.

This method of teaching these behaviors to preschool children by using coloring and activities is fun and efficient.

In order to use this set efficiently, we should follow the instructions. Parents should guide their children. Every page should be examined carefully.

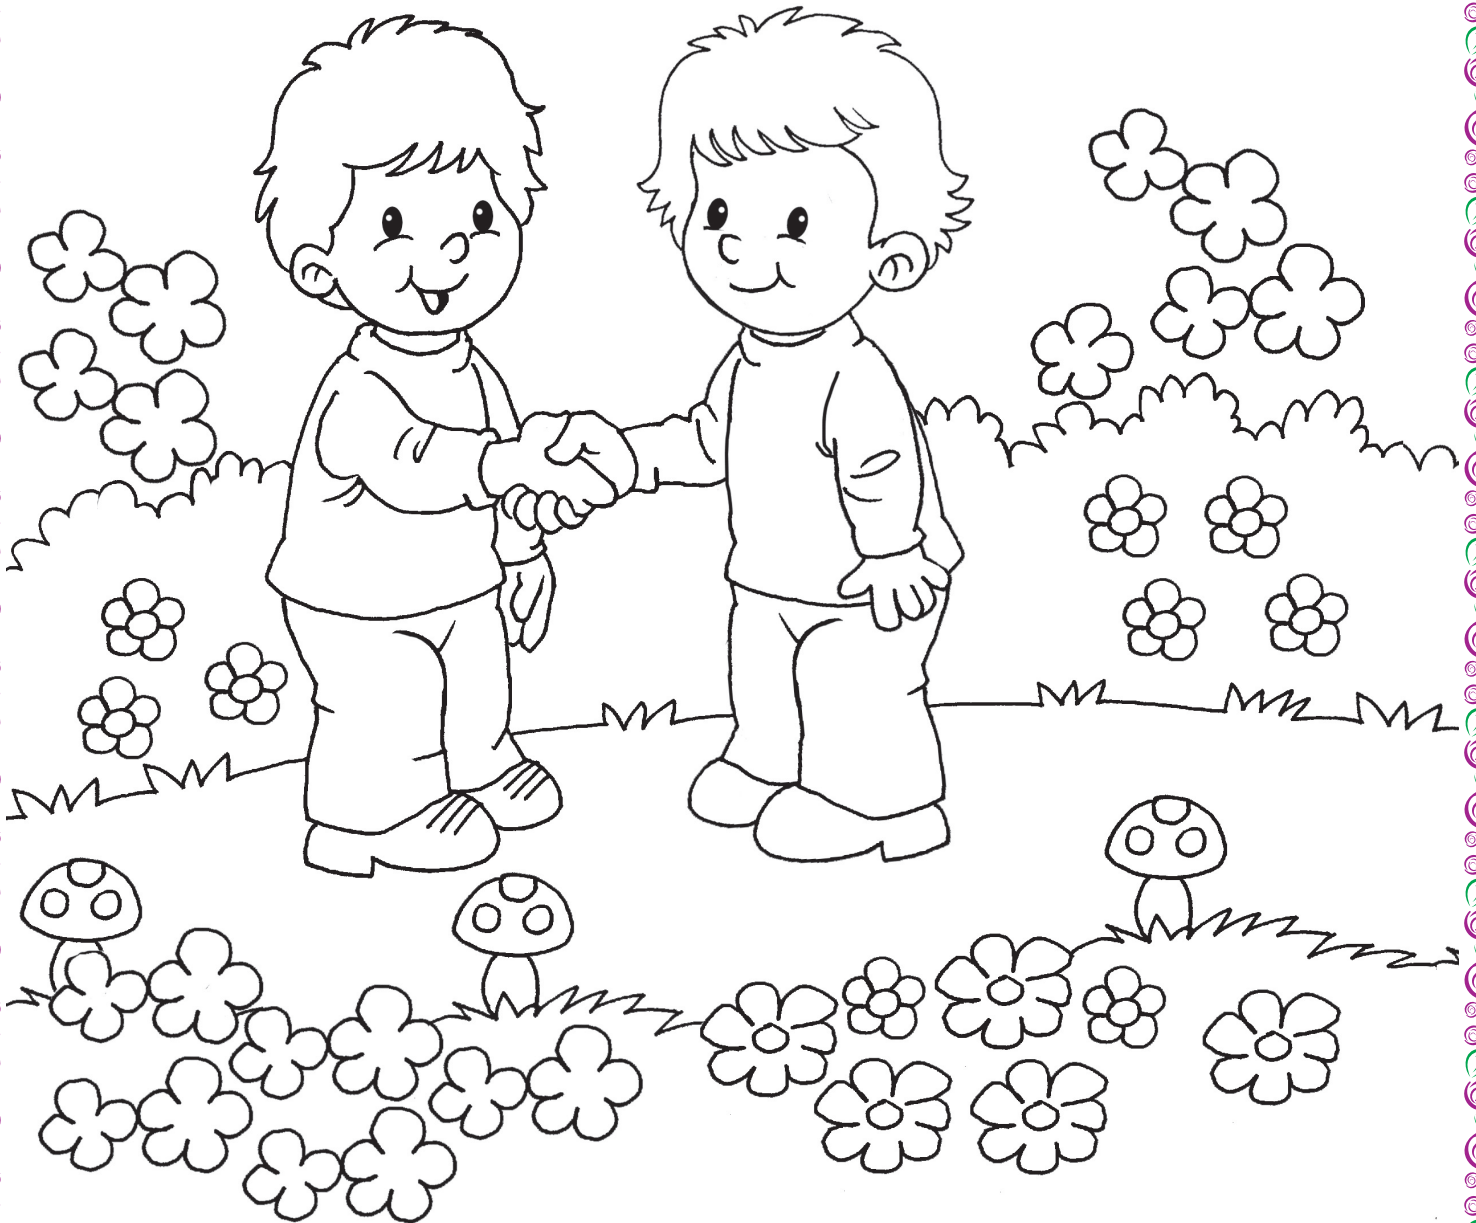

According to the behaviors mentioned in these pages, a parent should exchange ideas with his/her child.

If you focus on these issues throughout each day, you can encourage display of the desired behavior.

We recommend that you color the books with your child in order and one by one. Let us color, think, and apply...

Translated by Bulent Belbez

We must smile when we meet people.
We should introduce ourselves and shake hands.

When shaking hands, which hand should we use?
How should we introduce ourselves?

When we have a guest at our home,
we must welcome our guest with a smiling face.
We need to welcome them with our words too.

What do you prepare with your mother when a guest comes?
What do you pay attention to when you go to visit someone?
Do you share your toys with your friends when they come to visit you?

Elif looks at herself in the mirror and prays to Allah,
"O Allah, please help me.
Make my manners as beautiful as You have created me."

Can you help Elif see herself in the mirror by connecting the dots?

We fast during Ramadan. We get up before dawn to eat something.
The drummers wake us for the Suhur.

Have you ever woken up for Suhur with the sound of the drummers?
Can you color the stars with little smiles yellow and the stars with big
smiles blue?

Plants are also alive like us.
If we water them with love, they will be happy and give blossoms.
If we don't water them, they will wilt. They will not blossom.

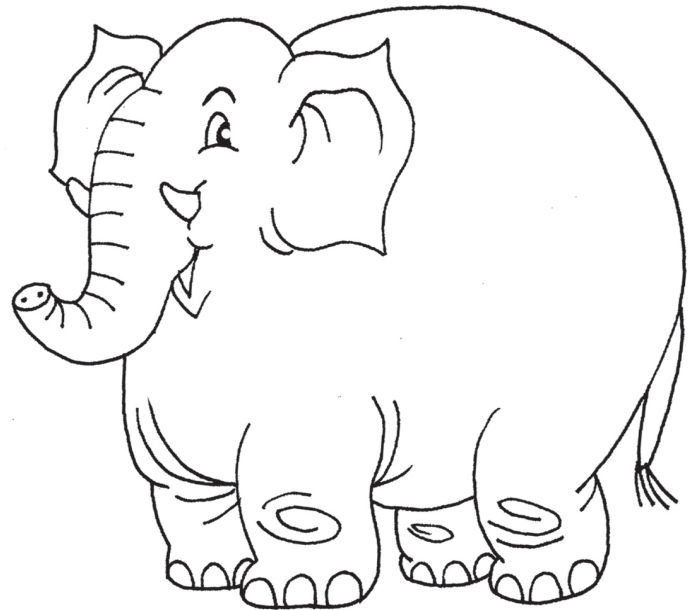

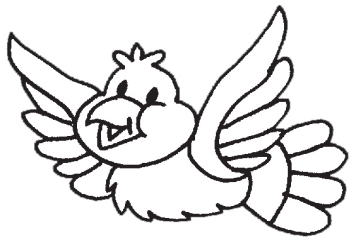

Do you take care of flowers at your home?
Do you wish to have a flower?
Can you see the change when you water the flowers?

This is a forest of friendship...
In this forest of friendship, all the animals love each other.
They smile at each other...
In this forest of friendship, the lion is the leader,
and the parrot is the speaker.

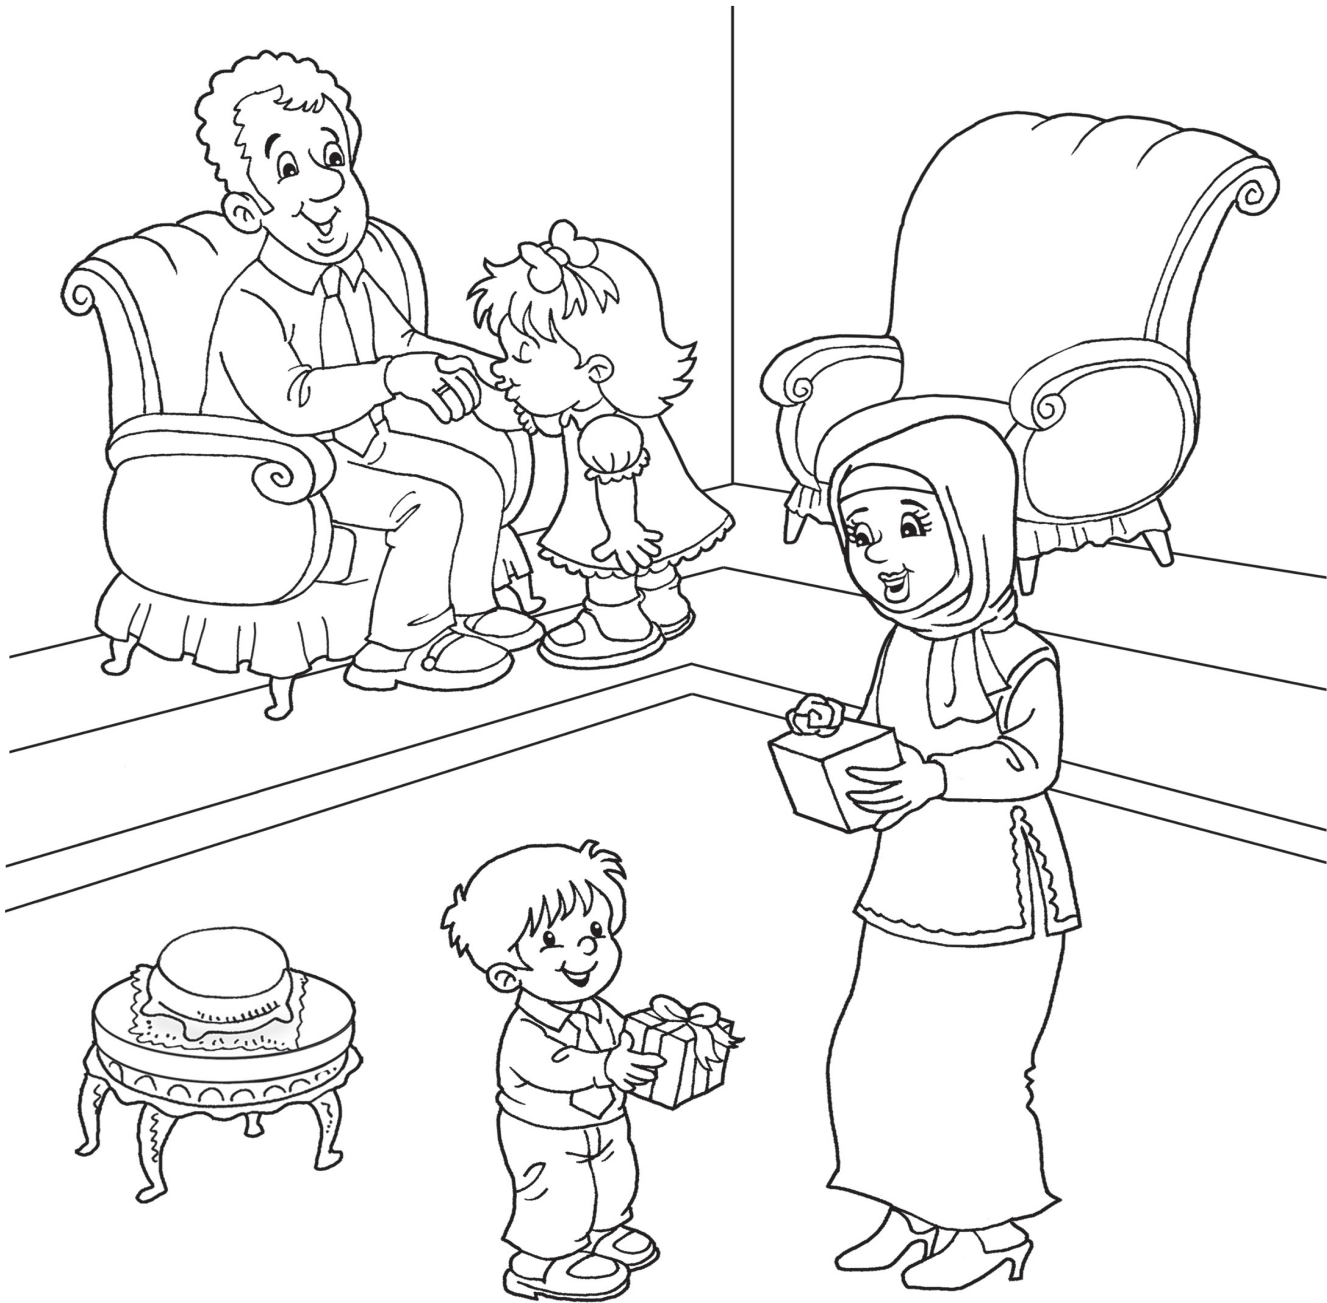

What do you think the parrot is telling its friends?
Do you have friends?
What would you like to tell your friends?

There is a nice harmony in the forest of friendship.
Bees make honey, and bears like this honey very much.

Can you name the animals on this page?
If we group the animals into twos, who would still need a friend?
Who eats the honey?

Holy days are our most happy days.
During the Holy days we greet each other.
We give gifts to our beloved ones.

What would you wish to be in a gift box for you? Can you draw it?
During the Holy days which relatives do you visit?
Can you draw your favorite candies in the candy dish?

Ali wants to be like our prophet because he loves him very much.
Ali memorizes and acts like to our prophet's hadith:
"It is alms to show a smiling face to each other."

Do you want to memorize this hadith?
Can you color Ali's clothes with your favorite colors?
Can you color Ali's shoes too?

Do you want to smile like Ali?
Take a good look at Ali.
Now try to copy
his big smile on your face.

Do you want to smile like Elif?
Take a good look at Elif.
Now try to copy
her big smile on your face.
